it happened to Sait Lake all right, but wasn't it sad! After securing fourteen safe hits off Mc-Closkey's star slab artist, to be down and trampled upon is mough to make even the stone-hearted neep. Hannivan's errors and Wiggs' wildness were the distracting features that tended to lower our reputation with the man that figures the percentage. Not se of Bolse's seven runs were carned, while Salt Lake's measly three tallies were earned and fully deserved. It was a ost peculiar game and one that does not occur very often, for which Salt Lake should be duly thankful.

Bruyette is on the sick list with a bad hard and Hannivan was called in from the outfield to play shortstop. "Hann can handle most anything that happens out toward the middle garden, but he is not well acquainted with the territory bemeen second and third base. Line drives od scorching grounders were not well received by Hannivan, whose baseball childhood has been spent among the weeds and dalsies of the outer garden. Consequently he made three costly errors that ment a long way toward losing the game

Wiggs Was Wild.

"Big Jim" Wiggs was on the rubber and had speed to burn. Unfortunately, how-erer. Wiggs could not locate the plate very often and seven Bolse batters went very often and seven Boise batters went to brist after waiting in vain for a strike. When Wiggs put them over they came so fist that the Infants had hard work to locate them and six rottred without as Buch as touching the horsehide. A little earlted would have helped matters wonderfully and perhaps won the game. Wiggs also contributed two selections to be error column.

McFarian of Boise was touched up quite freely, but had perfect control and stead-led down when matters reached a crisis. Fourteen times the Elders rapped him, but good luck and strong support kept est all but three runs. McFarian walked two men and struck out five.

How It All Happened.

In the first inning Boise got one run. Iwo bases on balls and a bad throw to first by Wiggs netted the visitors a lone laby before the side was retired. In the fifth an error by Hannivan, could with two singles, let in another run, is the sixth another error by Hannivan, a base on balls and a three-sack drive by Lefty" Houtz netted the Fruit Pickers two more runs.

In the eighth an error by Wiggs, a base to balls and three hits admitted two additional tailies. Two bases on balls and a pinch hit in the last inning brought in one more run, making a total of seven for McCleskey's delegation.

The Saints, by dint of hard slugging, secured two runs in the eighth after two sen had been retired. Three singles and a double did the business.

The other taily was made in the fourth table, when the Saints walloped out two site ones and a sacrifice.

A feature of the game was a flying sith by Buck Weaver in the sixth using. Buck dove through the air to head of the horsehide and caught it with one hand. He rolled over and over, but suit stained the spheriod and retired the side when two men were on bases.

Oxford-Cambridge Meet.

LONDON, June 11.—The committee of Oxford and Cambridge universities, having in charge the arrangements for the athletic meeting with the Harvard-Yale team, will meet June 13 to consider the conditions suggested by the Americans and to fix a date for the contest. It seems probable that the date will be July 23.

Vanderbilt's Horse Winner. PARIS. June 11.-W. K. Vanderbilt's Mari Gold won the summer handicap at the Longchamp races today.

CITY AND COUNTY EMPLOYEES TO MIX

Next Saturday at Calder's Park the employes of the city side of the joint building will meet the employes of the county side in battle array on the diamond. Last year the county was whitewashed by the city and vanquished, pining for revenge, have challenged their ancient enemies to a series of three games to decide the championship. It is understood that Billy Watson of the Surveyor's office will pitch for the county and Jack Watson will catch. Lisle Evans will be in the pitcher's box for the city and Jake Jeffs will stop the hot ones with the muffs. The contest is arousing much interest in the offices at the building and it may be necessary to partition the city from the county part to prevent bloodshed.

WILL PITCH TODAY AGAIN EASY FOR SPOKANE

and the locals will make a strenuous effort to cop the odd game today. Tomor row the Infants and Elders will clash again. The teams play Monday instead of Tuesday for the reason that June 13 is Miners No Match for Miners' Union day, and an increased attendance is anticipated, particularly in Indians. Ed Bruyette, the Elders' popular short-

stop, will not be able to play for several days. Bruyette has an injured hand that will keep him on the bench until the latter part of the week at least. Titus, the new slab artist from Washington, will be worked some time this week. Titus is a nice appearing young fellow, who has the action of a ball player and Manager Gimilin believes that he will prove a valuable addition to the Saints' pitching department.

Elmer Meredith will pitch this afternoon

and Manager Gimlin has promised the

fans that he will win or die in the attempt. Boise and Salt Lake are now tied in the week's series with two games apiece

Butte Team Could Not Connect With the Balls Pitched by

Special to The Tribune

UTTE, Mont., June 14.-Loucks. twirler for the Indians, gave an exhibition of pitching today that cannot be surpassed by any of the slabmen of the big leagues. For nine innings he held Wilmot's Miners under control of his delivery, and four hits chalked up to the locals tells how completely at his mercy he had Butte's stick artists. Eleven earned runs for Reilly's men is the awful tale.

In strange centrast to the professional work of Loucks was the miserable pitching of Bandelin, who, becoming discouraged early in the game, game the Indians exteen hits, which sent bunches of the visitors scurrying around the circuit. He walked one lone Spokane man an deluded

walked one lone Spokane man an deluded another into striking out.

Despite four erros chalked to the visitors, their fielding was uniformly good and misplays, barring one, counted for naught. Frary distinguished himself in the batting line to-day. Five times at bat, he caught the sphere four times, once lining out a three-bagger, which brought in two of his companions. Carney was the only other Indian to get a three-bagger. Burns made a three-base hit for Butte, bringing Ward home, who got his start as a result of Ferris funibling a grounder, permitting Ward to reach the initial sack Spencer's two-base hit then scored Burns and the run-getting of the locals stopped. Davis' work today gave general satisfaction.
